EXTRA VIRGIN
OLIVE OIL

Vinaigrette

Oliv[®] Vinaigrettes: The Only Dressing or Marinade to use 100% Organic Extra Virgin Olive Oil.

It is the first ingredient - and only oil - in every Oliv flavor. Unlike soybean, canola and other highly processed food oils, which rely on chemical solvents, high heat and removal of impurities after processing, fresh pressed olive oil retains all the natural flavors, antioxidants, vitamins, minerals and other healthy qualities inherent to ripe olive fruit.

This dramatic difference makes Oliv vinaigrettes the most delicious and healthful dressing or marinade available anywhere.

Try Oliv Vinaigrettes and taste what you've been missing!

Oliv Vinaigrettes come in four exceptional flavors:

AGED BALSAMIC

WHITE BALSAMIC

HERBS DE PROVENCE

SUNDRIED TOMATO & GARLIC
